

WSASEA

Washington State Association of Student Employment Administrators

Collectively addressing post-secondary student employment issues since 1979

<http://www.wsasea.org>

The Washington State Association of Student Employment Administrators (WSASEA) is now accepting nominations for Student Employee of the Year!

Greetings from WSASEA!

Governor Christine Gregoire has proclaimed [April as "Student Employment Month"](#) in the state of Washington. The week of April 8-14, 2012 has also been proclaimed "National Student Employment Week" by the National Student Employment Association (NSEA). These proclamations affirm the importance of student work and learning programs in our state. Celebrate by recognizing the contributions your student employees make to the community and institution in which they work. What better way to start the celebration than by nominating a student employee from your institution for the Washington State Student Employee of the Year Award!

Participation is simple. The WSASEA [nomination checklist](#) guides you through the process and provides you with the tools you will need to participate. A letter from the student employees' supervisor includes the information the committee uses to determine winning applicants. Provide specific information explaining how your particular student employee is fabulous! Please feel free to share this information with anyone interested in nominating a student employee.

Nomination materials need to be submitted to WSASEA by the **March 2, 2012 deadline**. Please email your materials to:

Daphne Lightfoot, WSASEA Past-President
Email: dlightfoot@columbiabasin.edu

WSASEA will select a State winner to be announced at the [2012 Spring Conference](#) being held at [Rainbow Lodge](#) on May 21-23, 2012. In addition to well-deserved recognition, the winner will receive an attractive certificate (a great resume item) and a \$100.00 cash prize! Please join us and other student employment professionals at the conference to celebrate this year's winner and develop our professional skills.

Thank you, in advance, for your participation. If you have any questions, please do not hesitate to contact me directly. Campuses interested in submitting Student Employee of the Year nominations to [WASEA](#) (Western Association of Student Employment Administrators) and [NSEA](#) (National Student Employment Association) will find information about the nomination process available on their websites.

Best wishes,

Daphne Lightfoot, WSASEA Past-President
